# 2 Welcome Message

## Welcome to ESPRM2026

We are honored and delighted to invite you to the 25th European Congress of Physical and Rehabilitation Medicine (ESPRM2026), taking place from 23–26 March 2026 in the historic city of Kraków, Poland. This flagship event will gather medical professionals, researchers, and industry leaders from around the world to explore cutting-edge developments and pressing challenges in physical and rehabilitation medicine.

As we prepare for this milestone congress in one of Europe's cultural capitals, our specialty finds itself at a transformative point. Across the continent, demographic shifts — including aging populations, rising chronic conditions, and evolving patterns of disability — are reshaping healthcare. These changes present both critical demands and exciting opportunities for PRM.

As life expectancy increases, our specialty plays an increasingly vital role — not only in supporting recovery from acute conditions but also in optimizing function, enabling independent living, and enhancing quality of life across the lifespan.

### What to Expect at ESPRM2026

#### *Translating Basic Science into Clinical Practice*

We are committed to narrowing the gap between research and real-world impact. ESPRM2026 will showcase cutting-edge advancements across disciplines such as applied neuroscience, kinesiology, neuropsychology, and bioengineering, all with direct relevance to clinical care.

#### *Meet Tomorrow's Technology*

Experience innovation in action — from the lecture hall to the exhibition floor. Engage with breakthrough technologies like robotics, telehealth, virtual and augmented reality, and artificial intelligence that are transforming rehabilitation.

#### *Building Collaborations*

We believe in the power of connection. Participate in networking sessions, mentorship opportunities, and global discussions that foster collaboration, knowledge sharing, and lasting professional relationships.

#### *Next Generation Focus*

The future of our field depends on emerging talent. ESPRM2026 places a strong emphasis on supporting young PRM doctors and highlighting novel ideas that challenge and inspire.

#### *Get Involved*

Your voice matters. Propose workshops, lead special sessions, or present your work through oral or poster abstracts. Shape the conversation and contribute to a dynamic scientific program.

#### *Enjoy the Experience*

Beyond the lecture halls, Kraków offers a vibrant cultural and social experience. Reconnect with colleagues, explore the city's rich heritage, and enjoy the warmth of Polish hospitality.

We are excited to share insightful discussions, innovative ideas, and meaningful collaborations that will guide the future of rehabilitation medicine. Together, we will move our field forward in service to patients and communities across Europe and beyond. Your presence will be instrumental in making ESPRM2026 a remarkable success — we look forward to welcoming you to Kraków.

Sincerely,

Iuliy Treger, MD, PhD, MHA  
RSTU President

Klemen Grabljevec, MD, FEBPRM  
President, ESPRM &  
President, ESPRM2026 Congress  
Organizing Committee

The Next Generation: Collaborate. Inspire. Innovate

## WHO SHOULD ATTEND?

---

### Hospital & Rehabilitation Center Leaders

- Hospital Administrators
- Rehabilitation Facility Directors
- Clinicians Seeking New Solutions

### Healthcare Professionals

- Physiatrists (Physical Medicine & Rehabilitation Physicians)
- Orthopedic Surgeons
- Neurologists
- Physical Therapists (PTs)
- Occupational Therapists (OTs)
- Rehabilitation Nurses
- Speech & Language Therapists

### Government & Policy Leaders

- Healthcare Regulators
- Public Health Officials
- Disability Advocacy Group

### Scientists & Researchers

- Hospital Administrators
- Rehabilitation Facility Directors
- Clinicians Seeking New Solutions

### Industry & Technology Innovators

- Medical Device Companies
- Startups in Rehabilitation Tech
- AI & Robotics Developers
- Prosthetics & Exoskeleton Manufacturers

### Insurance & Healthcare Investment Firms

- Medical Insurers Covering
- Rehabilitation Services
- Investors in HealthTech & MedTech

## CONGRESS TOPICS

---

### PRM Basic Science & Clinical Practice in Neurological Diseases

- Diseases and Trauma of the Brain
- Diseases and Trauma of the Spinal -Cord
- Neuropathies and Myopathies

### PRM Basic Science & Clinical Practice in Orthopedic and Musculoskeletal Disorders

- Limb Trauma, Amputation and Surgery
- Musculoskeletal Disorders and Sport Injuries
- Kinesiology
- Rehabilitation of Rheumatological
- Diseases and Osteoarthritis
- Osteoporosis
- Back and Neck pain

### PRM Basic Science & Clinical Practice in Specific Populations and Conditions

- Geriatric Rehabilitation
- Pediatric Rehabilitation
- Rehabilitation during and following Disasters
- Cardiac Rehabilitation
- Pulmonary Rehabilitation
- Oncological Rehabilitation
- International Classification of Functioning, Disability and Health (ICF)
- Training and Education of Rehabilitation Personnel
- Ethical and Legal considerations
- Evidence Based Rehabilitation -Functional Assessment and Outcome Management
- Pain Rehabilitation
- Sexual Rehabilitation
- Spasticity
- Wounds
- Psychological and Social Aspect of Rehabilitation
- Parasports
- Electrodiagnosis
- Kinesiology; Posture, Gait & Motion Analysis
- Orthotics and Assistive Devices for Disabled Persons
- Rehabilitation Engineering & Advanced Technologies
- Accessibility

## Why Should You Consider Supporting?

---

### Supporting this event offers your organization a unique opportunity to:

- Showcase your company's leadership in the field
- Connect with key thought leaders, researchers, and clinicians from around the world
- Increase your company's brand visibility
- Exhibit and distribute your promotional materials in the dedicated exhibition area
- Host an industry-sponsored symposium to highlight your innovations
- Share the latest advancements and insights with a global audience
- Network with attendees during the welcome reception and refreshment breaks
- Attend all lectures and sessions within the scientific program

### Acknowledgment & Benefits

---

- Congress Sponsorship
- Advertising in Congress materials
- Congress Exhibition
- Product showcase via satellite symposia, workshops, the opening ceremony, or other special events
- Sponsorship of invited speakers
- Other opportunities

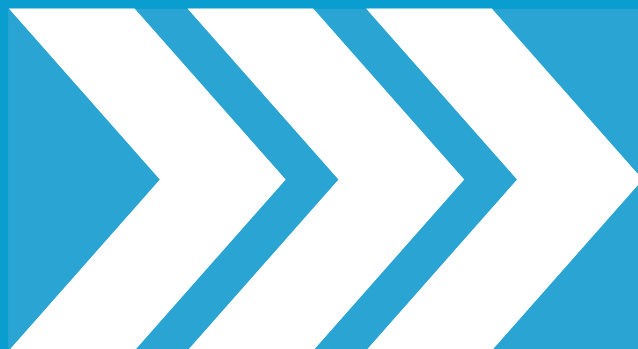

## Sponsor categories

---

- Platinum – **POR**
- Gold – **POR**
- Silver – **POR**
- Sponsor/Exhibitor

***Support items and categories are allocated on a first-come, first-served basis.***

# Sponsorship Packages

---
